Hanging out with friends

A) Friends often share many things and that includes daily activities. Read the information and write sentences. Use the correct form of the actions (verbs). Don't forget to write the adverb of frequency (always, usually, often, sometimes, never). There is one example.

1) Alex and Lian / go to the cinema on Friday. (often)
   Alex and Lian often go to the cinema on Friday.
2) Lucas and Lian / hang out with Alex and Jen. (sometimes)
3) Lian / go to bed early. (usually)
4) Lucas / play computer games. (never)
5) Alex and Jen / are / late for school. (sometimes)
6) Jen / do her homework before dinner. (always)

B) Here is a list of the activities that Lian does.

1. Watch films - Friday
2. Get up late – Saturday
3. Cook dinner – Wednesday
4. Tidy her bedroom – Sunday
5. Have a guitar lesson – Monday
6. Go to the swimming pool – Tuesday

Which day is missing?

C) Lian and Lucas are very good friends. Here he's talking about his friend and her routine. Can you help him? Write the sentences about Lian with the information from exercise B. There is one example.

1) usually / Friday

She usually watches films on Friday.

2) sometimes / Saturday

3) never / Wednesday

4) usually / Sunday

5) always / Monday

6) often / Tuesday
