

Fichas para trabajar las figuras geométricas

Arrastra cada figura a su lugar

Mira el siguiente video...

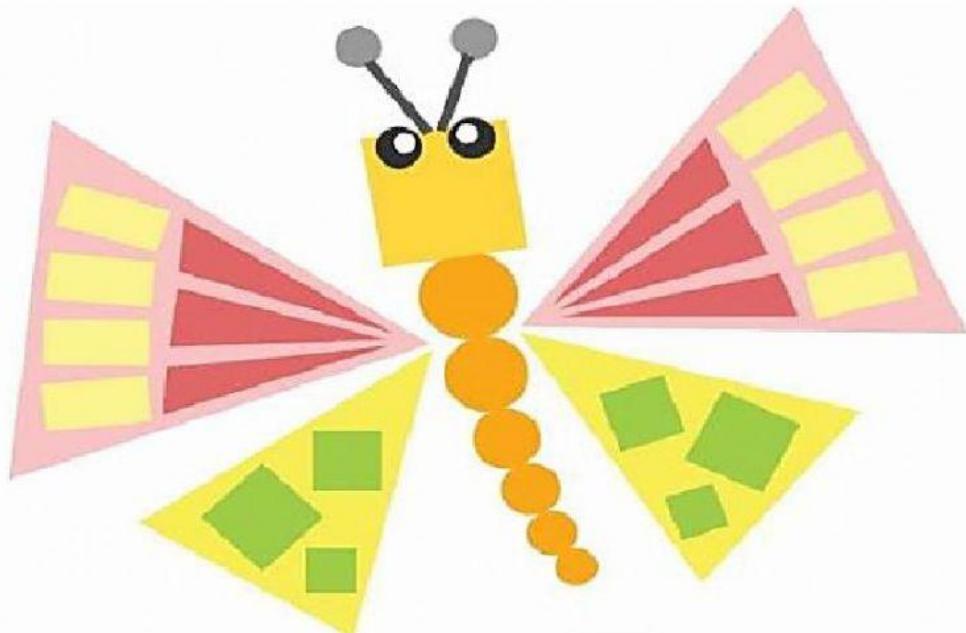

Cuenta cada figura geometrica y escribe la cantidad

$$\begin{array}{l} \blacktriangle = \boxed{} \\ \bullet = \boxed{} \\ \blacksquare = \boxed{} \\ \blacksquare = \boxed{} \end{array}$$

→ ←

$$\begin{array}{l} \blacktriangle = \boxed{} \\ \bullet = \boxed{} \\ \blacksquare = \boxed{} \\ \blacksquare = \boxed{} \end{array}$$

ACTIVIDAD:

Realiza un dibujo usando figuras geométricas; pégalo en tu mural de “Mis creaciones”

Ahora cuéntame...

1. ¿Como le fue a tu hijo identificando las figuras geométricas? Describe
 2. ¿Cuál es la figura geométrica que mas le gusta?
¿Por qué?
 3. Describe en general como el fue contando las figuras geométricas
 4. Cuéntame que dibujo realizo tu hijo
