

SOMEBODY THAT I USED TO KNOW

Gotye feat. Kimbra

HAPPY – COMPANY – KIND – FRIENDS – NOTHING –
STRANGER – NUMBER – WORD

Now and then I think of when we were together
Like when you said you felt so _____ you
could die

Told myself that you were right for me

But felt so lonely in your _____

But that was love and it's an ache I still
remember

You can get addicted to a certain _____ of
sadness

Like resignation to the end, always the end

So when we found that we could not make
sense

Well, you said that we would still be _____

But I'll admit that I was glad that it was over

But you didn't have to cut me off

Make out like it never happened and that we
were _____

And I don't even need your love

But you treat me like a _____ and that
feels so rough

No, you didn't have to stoop so low

Have your friends collect your records and then
change your _____

I guess that I don't need that though

Now you're just somebody that I used to know

Now and then I think of all the times you
screwed me over

But had me believing it was always something
that I'd done

But I don't want to live that way, reading into
every _____ you say

You said that you could let it go

And I wouldn't catch you hung up on somebody
that you used to know

But you didn't have to cut me off

Make out like it never happened and that we
were nothing

And I don't even need your love

But you treat me like a stranger and that feels
so rough

No, you didn't have to stoop so low

Have your friends collect your records and then
change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just somebody that I
used to know

Somebody, I used to know

Somebody, now you're just somebody that I
used to know
