Questions 158-160 refer to the following card.

Congratulations on purchasing Megagroome, the world's finest rechargeable shaver! To keep your shaver in top condition, clean your shaver weekly by running it under hot water. Once a month, disassemble the shaver and clean the internal portion thoroughly as shown in the owner's manual. The shaving heads should be replaced every year with the replacement parts listed in the manual.

The Megagroome shaver has a lithium ion battery that should last for several years. Please charge the shaver as often as needed. It is not necessary to fully discharge the battery before recharging it. Use only the included charger, because use of any other charger may void the warranty. Complete instructions and details can be found in the owner's manual.

158. Where would the card most likely be found?

- (A) Inside a box with a product
- (B) On a bulletin board
- (C) In a product display at a store
- (D) In the pages of a magazine

159. How often should the shaver be taken apart?

- (A) Daily
- (B) Weekly
- (C) Monthly
- (D) Annually

160. What is indicated about the shaver's battery?

- (A) It must run out before charging.
- (B) It may be charged whenever necessary.
- (C) It is able to hold a charge for a week.
- (D) It will work with different chargers.
