

8. EL. Listening Part 4

You are given a piece of audio and six questions which correspond to the audio. Each given question has three options A, B and C.

You will hear a conversation with Dianne who is an expert on summer camps.

1 - What is the main problem with summer camps?

A) It can be difficult to decide which one to choose.

B) Kids can feel lonely.

C) The food is often not very nice.

2 - What is interesting about academic camps?

A) They allow parents some free time in the summer.

B) They help kids become confident.

C) They offer activities that schools don't.

3 - Why do people like academic camps so much?

A) The accommodation is more comfortable.

B) They let you focus on one activity only.

C) They have more teachers.

4 - Do they cost more than normal camps?

A) They cost a little bit more but not that much more.

B) They are usually cheaper.

C) The prices are about the same.

5 - Why are art camps popular?

A) They help kids understand fashion.

B) They teach kids how to enjoy art.

C) They allow kids to focus on a specific artistic talent.

6 - How do you know if an instructor is good?

A) A good instructor should always be in a good mood.

B) A good instructor should enjoy working with kids.

C) A good instructor should like sports.
