Dear Lucy,

I'm having a (1) great / terrible time in Rome. It's the capital of Italy. We are staying in a (2) hotel / castle in the centre of the city.

It's really (3) noisy / quiet here - there are lots of cars and people in the street.

It's very (4) cloudy / sunny today so I'm taking some photos. At the moment I am (5) swimming in / looking at a famous fountain called the Trevi fountain. It's got lots of statues and it's absolutely (6) boring / amazing.

Today we are (7) walking / sailing around the city. We are looking at all the Roman buildings - they are really interesting. And we've got tickets for the (8) theatre / museum tonight.

Also, I'm eating lots of (9) delicious / horrible pizza and ice cream!

I'm (10) taking / having a really happy holiday here in Rome.

See you soon

Love
Maya
