Hear your heartbeat
Beat a frantic pace
And it's not even seven AM
You're feeling the _____ of anguish settling

You cannot help showing them in
Hurry up then
Or you'll fall behind and
They will take _____ of you
And you need to heal the hurt behind your eyes
Fickle words crowding your mind

So
_____, sugar, let your _____flood you
Like waves of _____ fire, you're safe within
_____, sweetie, let your floods come rushing in
And carry you over to a new _____

_____ as you might
You _____to give it up
Seems to be holding on fast
It's hand in your hand
A _____over you
A beggar for soul in your _____
Still it don't matter if you won't listen
If you won't let them _____ you
You just need to heal
Make good all your lies
Move on and don't look behind

So
_____, sugar, let your _____flood you
Like waves of _____ fire, you're safe within
_____, sweetie, let your floods come rushing in
And carry you over to a new _____

_____ after _____
Fickle visions messing with your head
Fickle, vicious
_____ in your bed
Messing with your head
Fickle visions
Fickle, vicious
