Dear Nicola,

Here's a photo of my new house. It's great! It's **1** more modern  
than (modern) our old house. There are three bedrooms. Mom  
and Dad's bedroom is **2** \_\_\_\_\_ (big), of course!

My bedroom is **3** \_\_\_\_\_ (small), but I don't mind  
because I have a balcony. The yard is **4** \_\_\_\_\_  
(nice) our old yard. The flowers are **5** \_\_\_\_\_  
\_\_\_\_\_ (beautiful) the flowers we had there.

The attic is **6** \_\_\_\_\_ (exciting) thing  
about the house. It's amazing! We have a basement, too,

but I think the attic is **7** \_\_\_\_\_ (good) the  
basement. I go up there every day. I like it because it's

**8** \_\_\_\_\_ (quiet) the rest of the house, and I can  
think there. **9** \_\_\_\_\_ (bad) thing about the house is  
that it's **10** \_\_\_\_\_ (far) from school \_\_\_\_\_ our old house.

It takes about 30 minutes to walk to school now.

Hope you can come and see it soon!

Love,

Rebecca
