

"Innuendo"

While the hangs in the , and the has sand
While the..... crash in the..... and meet the land
While there's a..... and the....., and the
'Til the..... crumble into the

Oh, yes, we'll keep on trying
Tread that fine line
Oh, we'll keep on trying. Yeah
Just passing our time

While we live according to, or,
While we rule by blind and pure
Our lives dictated by,, false,
Through the eons, and and

Oh, yes, we'll keep on trying
We'll tread that fine line
Oh, we'll keep on trying
'Til the end of time
'Til the end of time

Through the, all through our splendor
Don't take at my innuendo

You can be you want to be
Just turn into anything you that you could ever be

Be with your tempo, be free, be free
Surrender your Be free, be free to yourself

If there's a god or any kind of under the,
If there's a, if there's a to live or die
If there's an answer to the we feel bound to ask
Show, destroy our fears, your mask

Oh, yes, we'll keep on trying
Hey! Tread that fine line
Yeah, we'll keep on smiling. Yeah!
And whatever will be, will be

We'll just keep on trying
We'll just keep on trying
'Til the end of time
