Amber says ...

My mum is Scottish, so we usually go on holiday to Scotland. First, we visit my aunt in Edinburgh. Edinburgh Castle is in the centre of the city. It's great! Then we go camping near Loch Lomond. It's fun, but it's sometimes cold and wet!

My favourite holiday town is Blackpool. It's a seaside town with a huge fun park. I love the big wheel. You can go very high on it! In the evening, you can go to a show. The ice skating show is fantastic.

Adam says ...

My favourite holiday is in Bantham, Devon. Bantham is a small village near the sea with a big beach. We go to the beach every day. I go swimming and do watersports. I love surfing, but I'm not very good!
