

Free, free to be _____,
Free to need some _____
Free to need some help
So I'm reaching baby, out
When I'm lonely in the _____-
When the signs get too loud
I'll be crashing on a couch
And even if I never _____ you baby
Tonight I'm gonna let your memory baby
Go, always said I know

But at least I got my _____
Share a rain coat in the wind
They got my back until the end
If I never fall in _____ again
Well at least I got my _____
Like a lifeboat in the dark
Saving me from the sharks
Even though I got a broken _____
At least I got my friends, got my friends,
got my _____
Well at least I got my _____

I don't wanna think, I just wanna _____
I just wanna dream, yeah
So pour another round
And throw it back until it's down
Let's get lost until it's found,
again and again
And even if I never _____ you baby
Tonight I'm gonna let your memory baby
Go, always said I know

But at least I got my _____
Share a rain coat in the wind
They got my back until the end
If I never fall in _____ again
Well at least I got my _____
Like a lifeboat in the dark
Saving me from the sharks
Even though I got a broken _____
At least I got my friends, got my friends,
got my _____
Well at least I got my _____

And when the world is upside down, yeah
The _____ is full of clouds yeah
They always come around, it feels like
home, like home
And I never have to try,
I can be myself and I
Never _____, I never feel _____
And even if I never _____ you baby
Tonight I'm gonna let your memory baby
Go, always said I know

But at least I got my _____
Share a rain coat in the wind
They got my back until the end
If I never fall in _____ again
Well at least I got my _____
Like a lifeboat in the dark
Saving me from the sharks
Even though I got a broken _____
At least I got my friends, got my friends,
got my _____
Well at least I got my _____
