

Murder in a Country House – listen to the audio and drag the sentences into the correct order.

Gordon wished Jeremy a happy birthday.

As the dinner bell rang, Gordon asked Jeremy if that was his last word.

He said Gordon's name and then groaned as he was stabbed.

Jeremy sounded surprised and asked Gordon what the problem was.

Before dinner, Gordon had a drink with Jeremy in the library.

He accused Gordon of not loving Barbara, but only wanting her money.

Gordon denied what Jeremy said was true.

At midnight, Gordon finished his whiskey and went upstairs.

Gordon told Jeremy that he was in love with Barbara and wanted to marry her.

Jeremy stated emphatically that it was his last word.

Jeremy was shocked and asked Gordon if he was crazy.

Jeremy threatened to leave all his money to Claudia if Gordon married Barbara.

When Jeremy heard his door open he asked who it was.

He repeated that he loved Barbara.

Gordon told Jeremy that he wanted to talk to him about Barbara.
