WILLIAM SHAKESPEARE

William Shakespeare was born in Stratford upon- Avon, England, in 1564 and came from a family of eight children. He went to grammar school and studied Latin and Greek. He got married at the age of eighteen and had three children. Later, he left his family in Stratford and went to London. There, he acted and wrote a lot of plays. He acted for the King, too. Shakespeare became famous because he wrote great plays such as *Hamlet, Othello* and *Romeo and Juliet*. He spent the last years of his life in Stratford and died in 1616. Shakespeare is one of the world's most famous writers. Many people love his work and there are performances of his plays in theatres all over the world.
