MY HOME IN AMSTERDAM

by Ivonne Sander

I live on a canal in the centre of the city of Amsterdam. My house is special. It's an old boat. It's a recycled home. It is small but it is OK.

My boat has got a kitchen, a dining room, a bedroom and a bathroom. It hasn't got a living room. The rooms are small.

In the dining room, there is a table and three chairs. There isn't a sofa. In my bedroom, there is a bed and a desk. I haven't got any pictures on the walls because there are a lot of windows on the boat!
