

ROBBY WILLIAMS - MY WAY

And now the end is _____
So I face the final curtain
My friend, I'll say it clear
I'll state my case of which I'm _____

I've lived a _____ that's full
I've _____ each and every highway
And more, much more than this
I _____ it my way

_____, I've had a few
But then again, too few to mention
I did what I _____ do
And saw it through _____ exception

I planned each charted course
Each careful _____
along the byway
Oh, and more, much more _____ this
I _____ it my way

Yes, there were times, I'm sure you _____
When I bit off _____ than I could chew
But through it all when _____ doubt
I ate it up and spit it out
I faced it all and I _____ tall
And _____ it my way

I've loved, I've _____ and cried
I've had my fails, my share of losing
And now as tears subside
I find it all so _____
To think I did all that
And may I _____, not in a shy way
Oh, no, no not me
I _____ it my way

.....

*For what is a man, what has he got
If not himself, then he has not
To say the things he truly feels
And not the words he would reveal
The record shows I took the blows
And _____ it my way*

amusing did laughed knew Regrets than stood
step travelled life

Hugs for all of you
and the effort that you have made
during these years of studying
makes you create your „own way”
and the faced problems
can become on good results in your life
with a big pleasure to have worked with you
and by feeling the importance
and personal growing of everyone,
I feel proudly happy!
