

## Subject and Predicate

A sentence has two main parts – the **subject** (naming part) and the **predicate** (the telling part).

### Directions:

Look for the **subject** and the **predicate** in each sentence below.

Write the **subject** for each sentence to complete the table below.

Write the **predicate** for each sentence to complete the table below.

1. My brother is older than me.
2. Amelia came first in the race.
3. All the children are asleep.
4. Daddy and I plan to go fishing on Saturday.

Complete the table below using sentences 1 to 4 above. Separate each sentence into the **subject** and the **predicate**.

	Subject	Predicate
1.		
2.		
3.		
4.
