

Subject	Unit	Lesson 1.3		Type of Sheet
Science	1	Transporting water		Activity sheet
Name:		Roll No. _____	Y 3 - _____	Date:

Making plants go red

Draw the plants at the start and at the end of the investigation.

Label the pictures with these words:

stem	leaves	coloured water	coloured leaves
------	--------	----------------	-----------------

start	end
-------	-----

Draw how the stem looked when you cut it.
