## My best friend

By Jessie G

My best friend's name is Eva and she's fifteen years old, like me. She's very funny and likes telling jokes. I can't be serious when we're together! Eva likes art and drama. She goes to art club on Tuesdays and to drama club on Thursdays. She's very confident and she's a great actor. She's also very clever – she's good with software and she likes making animation films. She spends every evening working on her films. She's making a film about a group of dogs and cats at the moment. It's very funny. In the future Eva would like to write stories for films. What a great ideal I'd like to have a famous friend.
