1. Arrastra las partes del microscopio al lugar que corresponde

Diagram of a microscope with various parts labeled in Spanish. The labels are arranged in a vertical list on the left side of the diagram, and blue arrows point from these labels to the corresponding parts of the microscope. The labels are:

- TORNILLO MICROMÉTRICO
- FUENTE DE ILUMINACIÓN
- TORNILLO MACROMÉTRICO
- TORNILLOS DE DESPLAZAMIENTO DE PINZAS
- DIAFRAGMA - CONDENSADOR
- BASE O PIE
- OBJETIVOS
- OCULARES
- CABEZAL
- TUBO
- BRAZO
- INTERRUPTOR
- PLATINA
- PINZAS
- REVOLVER

The diagram shows a detailed view of the microscope's internal and external components, including the objective lenses (labeled 10, 40, and 100), the eyepieces, the stage, the condenser lens, and the base. A power switch with 'OFF' and 'ON' positions and a green indicator light are visible at the bottom of the base.
