| 12) climb  | jump       | run       | fly    |

3. Прочитай текст и отметь, какие предложения верны - TRUE, а какие неверны - FALSE

My favourite animal is a horse. Horses are really fast! They have got four long legs, big body and nice long hair and a tail. They can run and they can jump too. They are like zebras, but zebras are small and horses are big. Also horses are very clever animals. They eat carrots and some other vegetables and fruits. I love horses very much!

- |   |      |       |
|---|------|-------|
| 13) Horses aren't very fast.            | TRUE | FALSE |
| 14) They have got five long legs.       | TRUE | FALSE |
