

LEGO SONG PIECES WORKSHEET (This City - Sam Fischer)

LISTEN TO THE SONG AND DRAG THE SONG LYRICS TO THEIR RIGHT PLACE:

This city's gonna break my heart, hey
She's always gonna break your heart

It's all about smoke screens and cigarettes
Looking through low lights at silhouettes
But all I see is lonely people in crowded rooms

I remember mornings when my head didn't hurt
And I remember nights when art didn't feel like work

Am I getting closer to knowing where I belong?
This city's gonna break my heart
She's always gonna break your heart, oh

I've been seeing lonely people in crowded rooms
Covering their old heartbreaks with new tattoos

She got a hold on me
She got me wrapped 'round her finger

This city's got me chasing stars
It's been a couple months since I felt like I'm home

This city's gonna break my heart
This city's gonna love me, then leave me alone

She wakes up at noon and she's out 'til three
She leaves her perfume all over me
But I remember mornings when my head didn't hurt
