

Name:.....

**NUMBERS FROM 100 TO 1.000.000**

ACTIVITY 1: Watch the video and complete the chart.

|           |  |
|-----------|--|
| 400       |  |
| 4.000     |  |
| 40.000    |  |
| 400.000   |  |
| 4.000.000 |  |

ACTIVITY 2: Match the number and its name.(tienen que arrastrar los nombres)

Six thousand five hundred and fifty five – nine hundred and eighty – one million –  
thirty thousand five hundred – one hundred – eight hundred and twenty thousand

1.000.000:

6.555:

100:

30.500:

820.000:

980:

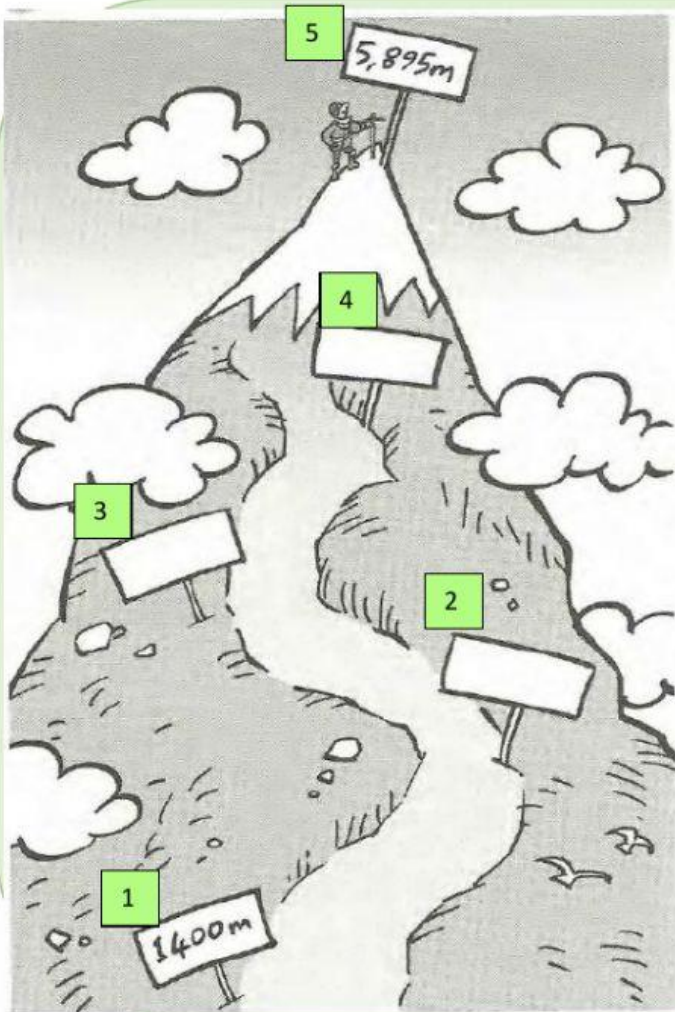

ACTIVITY 3: Now, order the numbers. Write the smallest number first.

Six thousand five hundred and fifty five – nine hundred and eighty – one million –  
thirty thousand five hundred – one hundred – eight hundred and twenty thousand

1. One hundred
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_
6. \_\_\_\_\_

ACTIVITY 4: Complete with the number.

On mount Kilimanjaro the climber stopped at...

1. One thousand four hundred metres.
2. Four thousand eight hundred metres.
