Day 4: Thursday, July 2nd

Let's go over some of our activities from project 3. Do you remember them? We want to know how much you learned, if you feel you can teach the topic or if you feel you still have to practice a little bit more.

Click on each link below to go over the topics:

Activity 4: <https://reconnectadosen2f.blogspot.com/2020/06/monday-june-8th.html>

Now that you have remembered about these activities, let's work on the following assignment:

Choose one of the 4 activities and write the number

I have chosen activity number

Now click on the number the best describes how you feel you understand the subject.

Number	Self reflection
 4	I know this VERY well. I feel like I could teach it to someone else.
 3	I feel like I know this pretty well. I get almost every question right the first time.
 2	I feel like I am still learning this. I still have some questions and am unsure sometimes.
 1	I have LOTS of questions. I am not sure what to do most of the time.
