

# ENGLISH:

- A **comma** is used after introductory words such as **yes, no, and well.**

Well, I guess you can go now.

Yes, you may have a cookie.

No, it's too late to watch television.

- A **comma** is used to set off the name of a person being spoken to from the rest of the sentence.

Mary, is this your backpack?

Come here, Tony, and clean up this mess.

Mr. Ginsburg, the dentist is ready for you now.

**A** Write two sentences where a comma is needed after an introductory word such as **yes, no, or well.**

1.

2.
