

IN THE MOUNTAINS

1. Listen and read the story about summer holidays. Would you like to spend holidays in the mountains?

Last summer holidays Paul and Kevin travelled to the mountains with Paul's dad. Paul's dad was a botanist and studied mountain flowers. They stayed in a tent and every morning cooked breakfast on fire. Then they walked in the mountains for 2 or 3 hours. One day they visited a small village. People that lived there were very friendly and hospitable. The boys helped one old man in the garden and came back to their camp with a big basket of vegetables. In the afternoon the boys played football, watched the birds and helped Paul's dad take pictures of beautiful wild flowers. They bathed and washed hair in a cold mountain lake. They didn't have a TV or a computer, so after dinner they talked for a while and Paul's dad played the guitar. They had lots of fun!
