Once there was a small glade (poiana) in an old forest. Only the little sunlight came through the branches of the tall green trees.
That was Bambi's home, a baby deer. He and his mother were sleeping. Suddenly he got up . He heard a lovely song of the bird farway.
–Mummy, let's go to the meadow (lunca), he asked.
–No, Bambi, you can't go now, she answered.
–Why can't we go there?
-It's dangerous to go out of the glade. We late in the evening or at night can go out.
