Jealousy by Queen

Oh how wrong can you be?
Oh to fall in love
Was my very first _____
How was I to know
I was far too much in love to see?

Oh jealousy look at me now
Jealousy you got me somehow
You gave me no warning
Took me by _____

Jealousy you led me on
You couldn't lose you couldn't fail
You had suspicion on my trail
How how how all my jealousy
I wasn't man enough to let you _____ my pride
Now I'm only left with my own jealousy

Oh how _____ can you be
With matters of the heart?
Life is much too short
To while away with tears

If only you could see
Just what you do to me
Oh jealousy you tripped me up
Jealousy you brought me down
You bring me sorrow you cause me _____

Jealousy when will you let go?
Gotta hold of my possessive mind
Turned me into a jealous guy

How how how all my jealousy
I wasn't man enough to let you hurt my _____
Now I'm only left with my own jealousy

But now it matters not
If I should live or die
'Cause I'm only left with my own jealousy
