| long      |       | short     |       |

## I. Tick (V) the correct word.

- |                                                                                      |                                                                                      |                                                                                       |                                                                                       |                                                                                         |                                                                                         |
|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| 1.  | 3.  | 4.   | 5.  | 6.   | 7.   |
| <input type="checkbox"/> heavy                                                       | <input type="checkbox"/> heavy                                                       | <input type="checkbox"/> handsome                                                     | <input type="checkbox"/> dirty                                                        | <input type="checkbox"/> clean                                                          | <input type="checkbox"/> light                                                          |
| <input type="checkbox"/> tall                                                        | <input type="checkbox"/> old                                                         | <input type="checkbox"/> tall                                                         | <input type="checkbox"/> light                                                        | <input type="checkbox"/> ugly                                                           | <input type="checkbox"/> old                                                            |
| 8.  | 9.  | 10.  | 11.  | 12.  | 13.  |
| <input type="checkbox"/> dirty                                                       | <input type="checkbox"/> beautiful                                                   | <input type="checkbox"/> young                                                        | <input type="checkbox"/> dirty                                                        | <input type="checkbox"/> handsome                                                       | <input type="checkbox"/> long                                                           |
| <input type="checkbox"/> light                                                       | <input type="checkbox"/> short                                                       | <input type="checkbox"/> ugly                                                         | <input type="checkbox"/> clean                                                        | <input type="checkbox"/> pretty                                                         | <input type="checkbox"/> short                                                          |

## II. Draw lines from the words to their opposites.

- |                                                                                        |                                                                                        |                                                                                        |                                                                                         |                                                                                          |                                                                                          |
|----------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|
| 1.  | 2.  | 3.  | 4.  | 5.  | 6.  |
| old                                                                                    | pretty                                                                                 | clean                                                                                  | ugly                                                                                    | long                                                                                     | heavy                                                                                    |
| a.  | b.  | c.  | d.  | e.  | f.  |
| dirty                                                                                  | beautiful                                                                              | ugly                                                                                   | young                                                                                   | light                                                                                    | short                                                                                    |
- Note: A line is drawn from 'old' to 'young'.*

## III. Look and write.

| Opposite | Short adjective |
|----------|-----------------|
| ➤ heavy  | ❖ light         |
| ➤        | ❖ old           |
| ➤        | ❖ new           |
| ➤        | ❖ short         |
| ➤        | ❖ dirty         |
| ➤        | ❖ ugly          |
| ➤        | ❖ pretty        |

| Opposite | Short adjective |
|----------|-----------------|
| ➤        | ❖ young         |
| ➤        | ❖ beautiful     |
| ➤        | ❖ dangerous     |
| ➤        | ❖ polluted      |
| ➤        | ❖ different     |
| ➤        | ❖ handsome      |

### Look!

Adjectives ending in -e:

nice → nicer

Adjectives ending in vowel

+ consonant:

big → bigger

Adjectives ending in consonant

+ -y:

heavy → heavier

### Long adjectives

| Adjective | Comparative            |
|-----------|------------------------|
| beautiful | more beautiful (than)  |
| expensive | ..... expensive (than) |
| dangerous | more dangerous (.....) |

handsome

more handsome

### IV. Arrange the adjective.

heavy  
light  
long

handsome  
pretty  
beautiful

difficult  
young  
ugly

short  
clean  
new

dirty  
different

### V. Write the comparative form.

| Short adjective | Comparative           |
|-----------------|-----------------------|
| ❖ light         | ▪ <u>lighter</u> than |
| ❖ old           | ▪ <u>smaller</u> than |
| ❖ new           | ▪                     |
| ❖ long          | ▪                     |
| ❖ short         | ▪                     |

| Short adjective | Comparative           |
|-----------------|-----------------------|
| ❖ empty         | ▪ <u>emptier</u> than |
| ❖ ugly          | ▪                     |
| ❖ heavy         | ▪                     |

| Long adjective | Comparative               |
|----------------|---------------------------|
| ❖ boring       | ▪ <u>more boring</u> than |
| ❖ handsome     | ▪                         |
| ❖ narrow       | ▪                         |
| ❖ stupid       | ▪                         |
| ❖ clever       | ▪                         |

| Long adjective | Comparative                  |
|----------------|------------------------------|
| ❖ dangerous    | ▪ <u>more dangerous</u> than |
| ❖ different    | ▪                            |
| ❖ beautiful    | ▪                            |

❖ pretty      ■

❖ dirty      ■

❖ happy      ■

❖ intelligent      ■

❖ expensive      ■

**VI. Look, match and write the comparative form.**

①

heavy - **heavier**

②

dirty - \_\_\_\_\_

③

pretty - \_\_\_\_\_

④

old - \_\_\_\_\_

⑤

young - \_\_\_\_\_

⑥

new - \_\_\_\_\_

⑦

tall - \_\_\_\_\_

⑧

ugly - \_\_\_\_\_

**III. Read and tick (v) to the correct answers.**

1.

Lisa is taller than Tim. ☐

Tim is younger than the Lisa. ☐

Tim is shorter than the Lisa. ☐

2.

Clara's bag is smaller than Tara's bag. ☐

Mara is younger than Clara. ☐

Clara's bag is lighter than Mara's bag. ☐

Mara's bag is bigger than Tara's bag. ☐

3.

Ben's hand is dirtier than Dan's hand. ☐

Ben's hand is younger than Dan's hand. ☐

4.

Lucas' phone is newer than Andy's phone. ☐

Andy's phone is older than Alex's phone. ☐
