

UNIT 6: MATERIALS

Lesson 1

ACTIVITY 1: Look at the photos and write the correct material. Use a dictionary if necessary.

aluminium ceramic fibreglass graphite nylon
polycarbonate polystyrene rubber steel titanium

Spark plug

Sunglasses

bag

kayaks

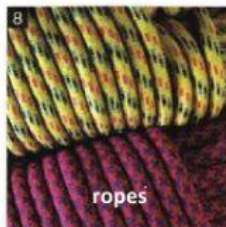

Tennis racket

Bike frame

Shoe sole

ropes

Plane

ceiling

1. ceramic

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

ACTIVITY 2: Listen to the pronunciation of the words. AUDIO 33

1 ny lon

2 graph ite

3 ce ram ic

4 pol y car bon ate

5 al u min i um

6 pol y sty rene

7 ti ta ni um

8 fi bre glass

ACTIVITY 3: Study this chart.

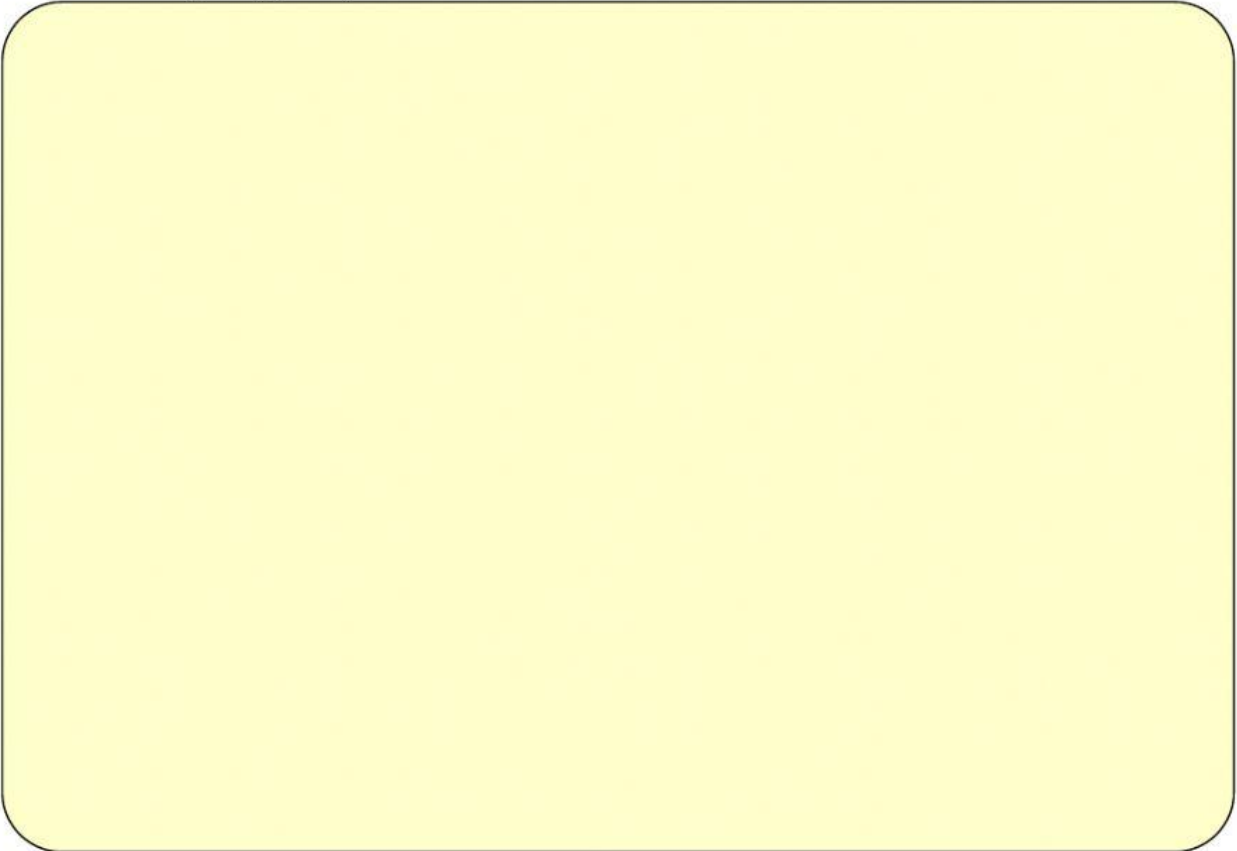

SINGULAR	PLURAL
QUESTION: WHAT IS THIS HELMET MADE OF? ANSWER: IT IS MADE OF POLYCARBONATE.	QUESTION: WHAT ARE THE ROPES MADE OF? ANSWER: THEY ARE MADE OF NYLON

El cuadro muestra como se pregunta y responde por materiales.

En singular, la pregunta es "What is it made of?" = ¿de qué material está hecho?. Se usa el verbo be "is" y la frase "made of" al final de la pregunta.

En plural, la pregunta es "What are they made of?" = ¿de qué material están hechos?. Se usa el verbo be "are" y la frase "made of" al final de la pregunta.

ACTIVITY 4: Watch the video. (Si bien en el video hay otros materiales distintos, observen cómo se forma la oración en singular y plural)
