

AFRIKAANS:

1. Read this POEM out loud;

Ek wens

Ek wens ek kan bo-op Tafelberg by Kaapstad staan.
Ek wens ek kan na Durban se see toe gaan.
Ek wil sien hoe die son by die Weskus ondergaan.
Ek wens ek kan in die Krugerwildtuin toer
en vir al die wilde diere loer.
Wie kan vir my 'n tas leen?
Dan vertrek ek dadelik daarheen!

2. Send a Whatsapp Voicenote OR
recording that is submitted on EDMODO

of you saying the POEM

English Translation
I Wish

I wish that I could stand on top of Table Mountain in Cape Town.

I wish that I could visit the sea in Durban.

I wish that I could see the sunset in West Coast.

I wish that I could visit Kruger Nation Park
and to peak at all the wild animals.

Who can lend me a bag?

Then I will go there immediately.
