B. It's twelve o'clock.

2) Complete the text with the words from the box.

seven

o'clock

half

quarter

past

I've got a dog called Sandy. I take her for a walk every day at  
<sup>1</sup> past four. We walk along the river in the park next to  
 our house. We get home at five <sup>2</sup>. I help Dad cook the  
 dinner and at <sup>3</sup> to six we eat. At half <sup>4</sup> six Mum  
 washes up and I dry the dishes. Do you know what Sandy does?  
 She waits by the back door. I say, "What do you want, Sandy?"  
 I know what she wants - another walk! "We can't go now," I say,  
 "It's almost <sup>5</sup> o'clock!"
