TECHNO INVENTIONS AT HOME!

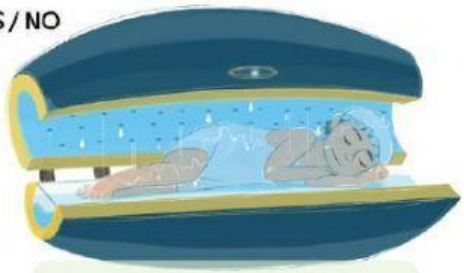

1) Listen to the audio about these future home inventions. Check the ones they talk about. Choose YES or NO

YES / NO

A high-tech exit slide for your home!

YES / NO

A shower bed—get clean while you sleep!

YES / NO

A toothbrush helmet! Never brush your own teeth again!

YES / NO

Headphones that play exactly the music you need to help you sleep

YES / NO

An oven that prepares your food all by itself!

2) Read about these three inventions. Match the description with the picture of the invention.

1 These running shoes have wings. They may be expensive, but you might fly with these shoes!

2 Are you a basketball player? You may need these shoes with built-in springs. They might help you jump even higher!

3 These wireless "smart shoes" are interactive. When you move, they play music. They might just help you enjoy exercise!

3) Which invention do you like more? Why? Write your answer in the box.
