

SONG: MY SUPER SISTER

My super sister

My sister can skate
And she can run.
She can swim and dive
And that's not all!
She can ride a horse
And skateboard too!
She's very sporty.
How about you?

*She's my super,
super sister – wow!*

My sister can paint
And she can draw.
She can read and write
And that's not all!
She can play the drums
And the violin too!
She's very clever.
How about you?

*She's my super,
super sister – wow!*
