

# Older

George Michael

I should have   
It seemed too easy  
You were there  
And I was  blue

Strange  
Don't you think I'm looking older?  
But something good has  to me  
 is a stranger  
You have yet to know

Well you're out of time  
I'm letting go  
You'll be fine  
Well that much I know  
You're   
I'm letting go  
I'm not the man you want

I should have known  
It  so easy  
You were there  
I  I needed you

Strange  
Don't you think I'm looking older?  
But something good has happened to me  
Change is a strange  
Who never seems to show

Well you're out of time  
I'm   
You'll be fine...
