Hi Linda!

My name's Anne. I'm your new e-pal. I'm ten years old and I'm from Canada. I love my country. The weather is very cold in my town and I go to the mountains. I can ski and ride a horse.

My favourite school subject is art. I love to draw and paint. I have art lessons on Tuesday and Friday. My art teacher is Miss Almeida. She's from Mexico and she has got big eyes and long hair. She can't speak English very well.

I have got a big family, three brothers and a baby sister. We have got a grey cat but we haven't got a dog or fish at home.

What about you? Write to me soon!

Love

Anne
