

1 Describe the picture. What are they doing?

2 Read. Answer the questions.

Diversicus is a circus. There are acrobats and clowns, but there aren't any animals. The acrobats get up at half past six and they have breakfast early because they start practising at nine o'clock. Acrobats have to climb, run and jump. The strong acrobats catch the others in the air. It's very exciting. Their job is beautiful, but it's dangerous, too.

- 1 What is Diversicus?
- 2 What time do the acrobats get up?
- 3 Why do they have breakfast early?
- 4 What time do they start practising?
- 5 Which acrobats catch the others in the air?
