Recycled materials are included in many products we buy. They help save paper and regenerate glass bottles and jars, food and drink cans and even washing machines. You can help by recycling your waste. It is important to use a bin for each of these products so they go to the recycling factory. The aim is that the products are used (1) _____ recycled and then used again.

One of the (2) _____ of waste we'll begin to thoroughly eliminate is plastic waste from your home. All our new (3) _____ of waste will begin to be made from recycled plastic. This will help reduce the amount of plastic waste that ends up in your garden. The collection is available (4) _____ to everyone to look at the sticker on the box that tells you which waste we will collect. You can find out more at www.recycling.gov.uk.
