PART 1 – READING COMPREHENSION

*Dear Judy,
My name is Maria Diaz. I am sixteen years old and I am an only child. I've got long dark hair and green eyes. I like rock music, films and motorbikes. But I haven't got a motorbike! At school, my favourite subjects are English, French and Geography.
I live in Calpe, on the south-east of Spain. Calpe is a small town but it's very lively. There are three cinemas and lots of discos. My favourite disco is called 'Crazy Nights'. They've got good music there and brilliant disc jockeys. There are some great beaches near Calpe. My favourite beach is called Playa del Sol. There's a café there where the ice cream is only 100 pesetas! I think that's about 60 pence in English money.
My home is in the centre of Calpe. Our house is in a busy street between a newsagent's and a chemist's. Opposite us, there's a big fruit and vegetable market. My school is very near my home. I've got lots of friends at school.
Write soon and tell me about you, your home and your school.
With best wishes,*
