

READING COMPREHENSION

This is Kevin. Kevin is a taxi driver. He works in the afternoon. He works from 2:00 p.m to 10 pm. He doesn't wear a uniform. He usually wears jeans and a t-shirt. After work, he goes home, has dinner and reads a book to his children Ana and Paul before they go to bed. In the mornings, he takes the children to school. After that he takes karate lessons. His son Paul does karate too. On Saturdays they go to the park and practise together. Ana doesn't like karate. She likes dancing. She takes ballet lessons on Tuesdays and Thursdays. In this picture, Kevin and Paul are practising karate. They are in the park. They are wearing white trousers, a white skirt, a blue belt and white trainers. They aren't wearing coats because it's a hot day today. Paul is smiling because he likes training with his dad. Ana isn't in the picture because she is visiting her grandma at this moment. They are making cupcakes.

Read and answer:

- a- What does Kevin do?
- b- What time does he finish work?
- c- Does he wear a uniform?
- d- When do Ana and Paul go to school?
- e- What does Kevin do in the morning?
- f- When do Kevin and Paul practise karate together?
- g- What days does Ana go ballet lessons?
- h- What are Paul and Kevin wearing in the picture?
- i- Why is Paul smiling?
- j- What is Ana doing now?
