Listening part 4

You are going to listen to an interview with a woman called Magda on a television technology show.

1. When Magda first heard about the supermarket, she thought it
 - A would be interesting
 - B sounded unpleasant
 - C was a practical idea
2. Magda says the supermarket is unusual because it
 - A uses mobile phones.
 - B delivers food quickly
 - C looks like a normal supermarket.
3. What did Magda buy in the supermarket?
 - A drinks
 - B vegetables
 - C shampoo

4. Magda thinks the supermarket works well in South Korea because South Koreans

- A don't have much free time.
- B like new technology.
- C have to wait a long time for transport.

5. Why did Magda like the new supermarket?

- A It was easy to use.
- B It was cheap.
- C It was fun.

6. Magda says that the Korean people

- A welcomed the new shop.
- B were unsure about using it.
- C preferred other supermarkets.

7. Magda thinks that in Britain, this type of shop would

- A be too expensive
- B not be technically possible
- C be unpopular with the people
