Reading Comprehension

1. What do they do every day? Let's read about this family and their daily activities. Then complete the exercises.

**A BUSY FAMILY ROUTINE**

Samuel Harris is a forty-two years old mechanic. He and his family live in Ohio, and they have very busy schedules. Every morning, Samuel's wife Anna gets up at 6:30 and goes to work; she's a nurse. Samuel takes care of his two children, Rick and April, every morning.

Samuel and the kids have breakfast at 8 o'clock, they always drink tea and eat fruits. After that, the children take the bus to school, and Samuel goes to work in his mechanic workshop until 12:30. Then, he goes home and cooks. At 1:30 pm, Anna and the children arrive; so, they all have lunch together.

In the afternoon, Anna goes to the gym, but before that, she takes the children to their piano and Spanish lessons. Samuel takes car mechanics classes every afternoon at a local University; he finishes classes at 9 pm.

At night, they have dinner at home, watch TV, and talk about their daily activities. Anna and the children usually go to bed at 11. Sometimes, Samuel stays up studying until 1 am.

1.a Choose T (True) or F (False). Correct the wrong information. (5x2=10)
