THE BIG CHILL

A _____

Yes, it does. Generally speaking, winter starts in September and lasts until May - so for about nine months. In the north, the sun never rises in December and January and it's dark nearly all day.

B _____

Well, minus 30 or 40 degrees Celsius is normal, but in northern Siberia the temperature sometimes drops to minus 60 or 70 degrees.

C _____

One reason is that, in the far north, the sun is always low in the sky and produces very little heat, so the ground stays cold all year. Another reason is that freezing winds come down from the Arctic because there are no mountains or trees to stop them.

D _____

It often snows, but it's rarely heavy. In the far north, snow cover lasts between 260 and 280 days.

E _____

Yes, they are. Definitely. Western Siberia is getting warmer faster than anywhere in the world. In fact, it's actually melting. And in some places in eastern Siberia, dangerous gases are rising from the ground. They're stopping the surface from freezing, even in the middle of winter. But it's still very cold!

F _____

They wear fur. In the West, we consider fur a luxury, but it's the only thing that keeps you warm when it's extremely cold!

G _____

Yes, it is. Without gloves, your fingers freeze. The little hairs in your nose freeze too. It's quite scary! The tyres of cars and lorries burst. Sometimes children can't go to school because it's so cold. They have lessons on TV!

H _____

Actually, they don't mind them. They enjoy a lot of outdoor sports. Ice-skating is the number one sport - it's really popular. They also like cross-country skiing and ice-hockey. Reindeer racing is quite popular too. Some people swim in rivers and lakes in the sub-zero temperatures.

I _____

They say there are health benefits to swimming in icy water. It's a way to avoid colds. Also, it's a real community event. Everyone takes part - men, women and children.

J _____

Well, to tell you the truth, I love it! In my home city, Liverpool, the winters are usually cloudy and mild and I don't like them much. You don't get many days when the weather's fine, you know, sunny and not raining. In Siberia, it's different. On bright sunny days, it's very beautiful.
