Hello Marcos,

Santiago is my favorite city! There is a \_\_\_\_\_ where you can see many exotic \_\_\_\_\_. There are big and quiet \_\_\_\_\_ where you can play \_\_\_\_\_ and relax.

There is also a \_\_\_\_\_. There you can take \_\_\_\_\_. There is an old \_\_\_\_\_ Where you can read \_\_\_\_\_.

I like Costanera Center Tower Two. It is a high building. I like it because I can see \_\_\_\_\_ from the top.

See you ,

Camila
