Writing Practice

Write about yourself: where you are from, what you do, what you like, your hobbies, and write about a typical day in your life. Use Simple Present Tense. Write at least 70 words.

Example

Hello! My name is Maggie Peterson. I am eleven years old and I'm a sixth year grader. I live with my parents and my little sister Claire in Boston, Massachusetts, in the USA.

In my free time, I like reading, cooking and watching TV! I love music! My favorite band is Now United and my favorite pet is the dog.

In a normal day, I wake up at seven, brush my teeth and have breakfast. After that, I do my homework and play with my sister. At 12, I have lunch with my family and at 1 pm, my online classes start. I have classes the whole afternoon; I really miss my school and my friends. In the evening, I have dinner, take a shower and go to bed. Bye bye.
