Part 5

1. Read part 5 again.

At that moment, Captain Hook and the pirates attack the cave. The Indians are surprised and they can't do anything. Captain Hook gives orders to the pirates.

Captain Hook: Tie everyone up! Hurry!

Smee: Aye aye, captain.

Wendy and her brothers are also Captain Hook's prisoners. They look very frightened.

Starkey: What are we going to do with them, captain?

Captain Hook: Take them to the ship.

The pirates leave the Indians and the Lost Boys at the cave. They take Wendy and her brothers to Captain Hook's ship, the *Jolly Roger*. John is crying.

John: What are we going to do now, Wendy?

Wendy: Don't worry, John. Do you see that light up on the mast? It's Tinkerbell! She's going to call Peter Pan!

Michael: Yes, and he's going to help us and the Lost Boys!

Captain Hook is a very bad man. He ties Wendy to the mast of the ship and makes Michael and John walk the plank. But Wendy is not afraid.

Captain Hook: Where's Peter Pan now? He can't save you!
