

## Baby Can I Hold You

Sorry

Is all that you can \_\_\_\_\_

Years gone by and still

Words don't come easily

Like sorry like \_\_\_\_\_

Forgive me

Is all that you can say

Years gone by and \_\_\_\_\_

Words don't come easily

Like forgive me forgive \_\_\_\_\_

But you can't say \_\_\_\_\_

Baby can I hold you tonight

Maybe if I told you the right words

At the right time you'd be \_\_\_\_\_

I love \_\_\_\_\_

Is all that you can say

Years gone by and still

Words don't come \_\_\_\_\_

Like I love you I love you

But you can't say baby

Baby can I hold you \_\_\_\_\_

Maybe if I told you the right words

at the right time you'd be mine

Baby can I hold you tonight

Maybe if I told you the right \_\_\_\_\_

at the right time you'd be mine

You'd be mine

You'd be mine
