

ONE DIRECTION

ONE THING!

I've tried playing it

But when I'm looking at you

I can't ever be brave

'Cause you make my heart

Shot me out of the

You're my kryptonite

You keep making me weak

Yeah, frozen and can't

Something's gotta give now

'Cause I'm dying just to make you

That I need you here with me now

'Cause you've got that one thing

So get out, get out, get out of my

And fall into my arms instead

I don't, I don't, don't know what it is

But I need that one thing

And you've got that one thing

Now I'm climbing the

But you don't notice at all

That I'm going out of my

All day and all night

Something's gotta give now

'Cause I'm dying just to know your

And I need you here with me now

'Cause you've got that one thing

So get out, get out, get out of my head

And fall into my arms instead

I don't, I don't, don't know what it is

But I need that one thing

So get out, get out, get out of my mind

And come on, come into my

I don't, I don't, don't know what it is

But I need that one thing and you've got that one thing

(Whoa, whoa, whoa) You've got that one thing
