

Yellow submarine

Beatles

In the town / place where I was born
Lived a man who sailed to sea / ocean
And he told us of his family / life
In the place / land of submarines

So we sailed up to the sun / sea
'Til we found the sea of green / blue
And we lived beneath the water / waves
In our yellow / orange submarine

We all live in a orange / yellow submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

And our animals / friends are all aboard
Many more of them live next door / town
And the band begins to play / sing

We all live in a yellow / orange submarine
Yellow submarine, yellow submarine
We all live in a yellow submarine
Yellow submarine, yellow submarine

As we live a day / life of ease
Everyone of us has all we want / need
Sky of blue and sea of green / blue
In our yellow ship / submarine

We all live in a yellow / orange submarine
