Three digit		
Four digit		
Seven digit		
2,5,7,3		
9,7,1,6		
4,8,0,5		

### 5. Ascending & descending number

Drag and drop the numbers to arrange in ascending order.

2534 2345 5342 5324 5243

Drag and drop the numbers to arrange in descending order.

6534 6345 5346 5364 5643

### 6. Place and place value.

Write the value of **RED** color digit.

Number	Place	Place value	Face value
Eg. 2835	Hundreds	800	8
9381			
8572			
5961			
3487			

### 7. Expanded and short form.

Write the numbers in expanded form and short form.

Write expanded form				
3962				
1426				
7584				
2679				

Write short form				
2000	400	10	2	
3000	800	30	4	
5000	600	50	6	
9000	200	70	8	

### 8. Ordering days and months.

Drag and drop names of days and months in proper sequence.

Saturday	Thursday	Friday	Tuesday	Sunday	Wednesday	Monday
----------	----------	--------	---------	--------	-----------	--------

1	2	3	4	5	6	7
---	---	---	---	---	---	---

February	July	May	March	September	November	January	December	October	June	April	August
----------	------	-----	-------	-----------	----------	---------	----------	---------	------	-------	--------

1	2	3	4	5	6	7	8	9	10	11	12
---	---	---	---	---	---	---	---	---	----	----	----

### 9. Identify shapes.

Listen, drag and drop correct shape.

Drop here below given shape	Drop here below given shape	Drop here below given shape	Drop here below given shape	Drop here below given shape	Drop here below given shape	Drop here below given shape
-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------	-----------------------------------

### 10. Write More and less.

How many less	Less number	How many more	More number
10 less than 125		10 more than 125	
18 less than 122		18 more than 122	
15 less than 555		15 more than 555	
20 less than 567		20 more than 567	

### 11. Time.

What is the time in the clock? Match them by drawing lines.

2:20	12:10	Half past two	Half past one	1 O'clock	10:33
------	-------	---------------	---------------	-----------	-------
