

WE CAN ALL DO SOMETHING!

1. Match the words to make expressions.

GLOBAL	A PASSWORD
MELTING	MESSAGE
INSTALL	LEAFLET
USEFUL	ONLINE
ERROR	TRANSPORT
ENDANGERED	WARMING
WENT	BEACHES
POLLUTED	A PROGRAMME
INFORMATIVE	SPECIES
KEY IN	ADVICE
PUBLIC	ICE

2. Use the phrases in exercise 1 to complete the text below.

After reading the interview with Laura Smith, I decided to do something to protect our world. So, I turned on my computer, ¹ _____ and looked for an environmental organization to join. I found one very quickly.

To become a member, I had to ² _____. When the programme was ready, I had to create a user name and ³ _____. But when I was doing so, I got an ⁴ _____. I read it many times, but I didn't know what to do. Then, the programme froze. I think it was a virus, because the computer hasn't worked since then.

Suddenly, I remembered an ⁵ _____ the science teacher had given me at school. I still had it in my schoolbag. Its title was "Make a world of difference" and it offered the following ⁶ _____ about how to reduce contamination:

- ✓ ⁷ _____ needs to be stopped or the Earth will become too hot!
- ✓ We should all help clean up ⁸ _____.
- ✓ Everyone should use ⁹ _____ to go to work instead of driving their cars.
- ✓ Many ¹⁰ _____ rely on us to protect their natural habitats!
- ✓ Global warming means floods and ¹¹ _____. These disasters can be prevented!
